Alan G Creer Scholarship

VAIBHAV SETH

BCom in Real Estate Class of 2024 | 2023 Recipient

I am profoundly grateful for the support I received from the Real Estate Board of Greater Vancouver Alan G. Creer Scholarship. My name is Vaibhav Seth, a final year student at UBC Sauder School of Business, specializing in Real Estate, and I am set to graduate this summer.

Choosing UBC and real estate was driven by a passion to merge my interpersonal skills with my interest in the dynamic real estate sector. This scholarship was not just a financial boon; it enabled me to attend pivotal real estate events like ICSC Whistler, which significantly enriched my educational journey and solidified my career path.

The award provided both monetary support and an emotional uplift, confirming my decision to pursue a career in commercial brokerage. As I stand on the cusp of entering the professional world, I am not only prepared but also eager to make a positive impact in the industry, thanks to your generosity.

Should you be in front of me, I would express my deepest thanks for not just the financial aid but for the confidence you have instilled in me. Your support has been instrumental in paving my path forward, and I am immensely thankful.

SANTIAGO DE ANDA MARTINS FERREIRA

BCom in Finance and Real Estate Year 4 | 2022 Recipient

My name is Santiago, and I am grateful for your generosity with the Real Estate Board of Greater Vancouver Douglas P Woodley Memorial Scholarship award. I've lived in Mexico, Germany, and Brazil. In 2020, I came to Canada to pursue my university education. Financing my degree has been a rewarding but challenging journey for my family, and we are all very grateful for the aid provided.

I consider myself to be highly involved in university life. I'm currently the lead ambassador for the UBC Blockchain club, and the Treasurer/VP of Finance at the Kappa Sigma Fraternity, I was also part of a capital markets club during my second year of university. In my free time, I like to play intramural soccer with my friends.

This summer I had the opportunity to work at a financial services company, focusing on capital acquisition. Throughout this internship, I was exposed to the Real Estate industry and as result, I'm pursuing a dual specialization in Finance and Real Estate. I recently accepted an offer into the Co-op program, soon I'll be seeking internship opportunities in the industry of real estate and finance. I am extremely excited to see what is to come!

I'm also working on my own business, focusing on the import of Mexican alcohol into British Columbia. I would love to get the opportunity to gift you a bottle of Mexican Raicilla once the registration gets approved!
